Ichthus Festival 2021

Food Vendor Information

About Connect Festival

Since 1970 Ichthus Festival has been a huge gathering of family friendly Christian entertainment drawing thousands of people each year to central Kentucky from all over the region. This tradition ended in 2015, but we're excited to be bringing back this legendary event and rededicate it to the mission of sharing the love and hope of Jesus once again!

EVENT

Ichthus: The Relaunch Event is a one-day festival designed to share the vision of the festival going forward, get people excited for the festival's return, and most importantly give an opportunity for people to gather and worship on the festival grounds with chart-topping Christian artists both past and present.

Festival Hours

The festival gates open to the public at 12:00 noon on Saturday, September 18, 2021. All vendors must be completely setup prior to this time. The festival closes around 9:45PM the same day.

Setup Times

Vendors are encouraged to setup on Friday afternoon/evening. If you are unable to setup on Friday you may setup on Saturday, September 18th anytime between 7:00AM and 11:00AM. All vendors must be in place by 11:00AM and any support/tow vehicles must be moved from the public ways by this time.

Breakdown & Move Out

While vendors may stop serving prior to the 9:45PM festival close time if they wish, they may not move their truck/tent/trailer or otherwise cause any distraction or obstruct other vendors or attendees until after festival closing and/or the Vendor Coordinator deems it safe to break down and move. All trash must be properly bagged and thrown in on-site dumpster or taken with them.

Clean Up

Vendor is responsible for maintaining a clean and professional site at all times. Vendor is also responsible for leaving the grounds as they were found including disposing of all trash. Normal household trash (paper goods, etc.) must be taken off site or bagged and thrown in the onsite dumpster. Any non-household waste (cooking oils, etc.) must be taken off site and disposed of by vendor.
